- Counting the omer. 7 weeks from pesach to shavuot when we get ourselves ready to receive the Torah. Each day we work on another character trait.
- Hashem took us out of Egypt specially to give us the Torah and make us his people.
- Neseh venishma
- Har Sinai was small and plain. Over night it blossomed with flowers- we celebrate Shavuot with lots of flowers
- Every soul was at the foot of the mountain. Moses went up to receive the torah- the entire world was still.
- Hashem called out the 10 commandments. The people couldn't handle the holiness
- 10 commandments
- Moses stayed up on the mountain for 40 days and nights to learn the whole torah to teach the ppl

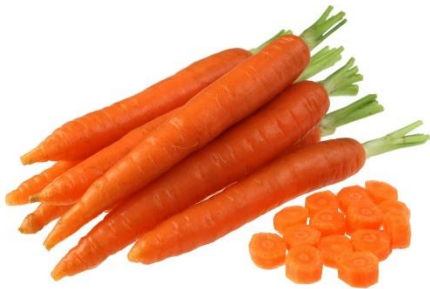

## On Shavuot we:

- Go to shul to hear the 10 commandments
- Decorate our homes with flowers
- Eat dairy - With the giving of the Torah, the Jews became obligated to observe the kosher laws. As the Torah was given on Shabbat, no cattle could be slaughtered nor could utensils be koshered, and thus on that day they ate dairy.

## FILL IN THE BLANKS

Hashem took the Jews out of Egypt specially to make them his chosen people and give them the \_\_\_\_\_. Hashem asked us if we wanted the Torah and we said we will \_\_\_\_\_ and we will \_\_\_\_\_ demonstrating that we were ready to serve Hashem no matter what.

The Torah was given on \_\_\_\_\_ a small and plain mountain. A miracle happened and over night \_\_\_\_\_ blossomed all over the mountain. In remembrance of that we decorate our home and shul with flowers on \_\_\_\_\_

\_\_\_\_\_ climbed the mountain to receive the \_\_\_\_\_ commandments. The entire world was quiet as Hashem read the commandments to the Jewish people.

Moses stayed up on the mountain for \_\_\_\_\_ days and nights learning the whole Torah. That day the Jewish people ate only dairy because they had just learned about Kosher and the right way to slaughter animals but it was shabbos and so they couldn't slaughter. ON shavuot we have a tradition to have a \_\_\_\_\_ meal because of this.

We all go to \_\_\_\_\_ on Shavuot to hear the 10 \_\_\_\_\_.
