

Shavuot **LEFT RIGHT** Game

My mother told me that there are only three days **LEFT** until Shavuos! This means we need to start getting ready **RIGHT** away. There is almost so much for us to do in order to celebrate Shavuos just **RIGHT**.

I decided to start going shopping for the ice cream we will be eating, so I went **RIGHT** to the store. When I got to the ice cream store I saw so many different kinds of ice cream on the shelves. On the **LEFT** I saw ice cream sandwiches and ice cream bars. On the **RIGHT** I saw containers of vanilla, chocolate and strawberry ice cream. I took one of each flavor. When I looked on the **RIGHT** side a second time, I noticed that there was one container of pistachio ice cream **LEFT** - so I reached out with my **RIGHT** hand and took that one too! Then I **LEFT** the store and went back home.

RIGHT when I got home I started to bake for Shavuos. I placed my cookbook on the **LEFT** side of me and got to work on baking a cheesecake. I checked the oven a few times and made sure to take my cake out at exactly the **RIGHT** time.

Cheesecake baked I **LEFT** my house and went **RIGHT** to the flower shop. I love decorating my home with flowers for Shavuos. I spent some time looking at the flowers on my **RIGHT** and the flowers on my **LEFT**. After a few minutes I found all the flowers I needed and then picked just the **RIGHT** vase. I **LEFT** the store and headed home with my beautiful flowers.

After working so hard all day to get ready for Shavuos I was super tired so I went **RIGHT** to bed knowing that tomorrow I would pick up **RIGHT** where I **LEFT** off.
